

Response to queries received in Pre Bid Meeting						
Sr. No.	Query Sr No.	RFP Page No.	RFP Clause No	RFP Clause	Suggestion/Deviation/Remark	Banks Remarks
1. Acer India Pvt. Ltd.						
1	1	16	6.1.1	Form Factor: Small Form Factor	SFF less than 10 LTRS in Lieu of Small form factor Reason: SFF Chassis less than 10Ltrs are available with all the OEM's. Kindly ask for the less than 10 Ltrs SFF Chassis.	Clause dropped
2	2	16	6.1.1	Chipset: Commercial Class Intel® Q470 Chipset	Intel Q570 /B560 in lieu of Q470 / and to add AMD Chipset Reason: Intel has already launched Q570 chipset which is rollover of Q470 Chipset by allowing Q470 department is taking old generation whose service and spare cost will be much higher in the coming years. Also we request to incorporate AMD Chipset -B560 which will ensure fair and equal opportunities to all the Oem`s.	Clause amended as "Latest Compatible Commercial Chipset"
3	3	16	6.1.1	Processor: Intel 10th Generation Core i5 10500 Processor with 3.1 GHz base frequency 12 MB cache, 6 cores, 12 threads Should Supports Intel® vPro Technology	Intel core i5 11400 in lieu of Intel I5 10500 and AMD R5 4600G Reason: Intel is currently operating on 11th generation from long time and going to launch 12th Gen very soon, by opting for 10th generation bank will be taking obsolete technology whose service cost would be too high after sometime. We also request you to allow AMD R5 4600G processor to avoid monopolistic competition.	Clause amended as:"Core i5 10400/AMD R53400G or higher"
4	4	16	6.1.1	Graphics: Intel® UHD Graphics630	Compatible Graphics in Lieu of UHD Graphics 630 and allow AMD as well Reason: Since Compatible is the right adverb which fits with graphic as this will ensure all oem participation	Clause amended as:"Compatible Graphics Card"
5	5	16	6.1.1	Audio: Integrated audio controller with internal speaker of at least 2W	Speakers should be in Monitors Reason: We request to ask for the speakers in the monitor which are more useful in practice scenario. Since Monitors are placed at table top and user can have better audio then in the chassis of the desktop.	Clause amended as:"Built-in stereo speakers with high definition audio support. Built-in Microphone"

6	6	16	6.1.1	Networking: Intel® Wi-Fi 6 AX201 802.11ax 2x2 with Bluetooth® M.2 Combo	WIFI 802.11ac + BT 4.0 in lieu of Intel® Wi-Fi 6 AX201 802.11ax 2x2 with Bluetooth® M.2 Combo Reason: Since all the oem are not having Intel® Wi-Fi 6 AX201 802.11ax 2x2 with Bluetooth® M.2 Combo so please allow WIFI 802.11ac + BT 4.0 for better participation and will ensure fair and equal opportunity for all oem	Clause amended as:"WIFI 802.11ac, BT 4.0 or higher, Gigabit 10/100/1000 Ethernet Controller."
7	7	16	6.1.1	Slots: 1 PCI Express v3.0 x1,1 PCI Express v3.0 x16 2 M.2	2PCIe x 1 ; 1 PCIE x 16; 1 M.2 in lieu of 1 PCI Express v3.0 x1,1 PCI Express v3.0 x16 2 M.2 Reason: Since all the oem are not having 1 PCI Express v3.0 x1,1 PCI Express v3.0 x16 2 M.2 and is specific to few oem hence please allow 2PCIe x 1 ; 1 PCIE x 16; 1 M.2 as this will allow equal, fair and maximum participation from oem` s	Clause Dropped
8	8	16	6.1.1	Slots: Integrated SD card reader	Removal of SD card reader Reason: In Desktop category there is sd card reader is specific to few oem` s hence removing this point will ensure maximum participation	Clause Dropped
9	9	16	6.1.1	Certifications: Microsoft Windows 10 FCC, CE, RoHS, UL, EPEAT, Energy Star ISO 9001,14001 for OEM	Removal of UL Certification Reason: UL and MET certifications are European standards which are similar in nature hence request you to allow UL/MET which will ensure participation from all Oem`s as only UL certification is limited to few oem` s	Clause amended as "BIS, BEE, EPR, RoHS or any other relevant Indian Certificates"
10	10	16	6.1.1	Security: Hardware based endpoint security controller TPM 2.0 Integrated Intrusion Sensor Support for chassis cable lock devices & Support for chassis padlocks devices	Removal of Hardware TPM 2.0 Reason: TPM is meant for endpoint security which helps to prevent data leakage which can be achieved with Hardware and Firmware TPM as well hence by amending Firmware /Hardware tpm will ensure maximum participation from all the oem` s	Clause dropped
11	11	17	6.1.2	Processor Generation: 10	11th gen in Lieu of 10th gen Reason: Since Intel is currently operating at 11th generation going for 10th generation processor is taking one step backward and bank will be opting for obsolete technology hence request to amend to 11th generation	Clause dropped

12	12	17	6.1.2	Processor Base Frequency (GHz) : 2.9	2.5 GHZ in lieu of 2.9 ghz Reason: Since 11th generation processors are latest in Intel and starts with 2.5 ghz hence please allow 2.5ghz as this will ensure equal, fair and maximum participation for all the oem' s	Clause dropped
13	13	17	6.1.2	Processor Description: 10th Generation Intel® Core™ i7 2.9GHz to 4.8GHz, 16MB Cache	11700 with 2.5 ghz in lieu of 10th gen core i7 2.9ghz Reason: Since Intel is currently operating at 11th generation going for 10th generation processor is taking one step backward and bank will be opting for obsolete technology hence request to amend to 11th generation that is 11700 with 2.5ghz to ensure equal, fair and maximum participation for all the oem' s	Clause amended as:"Core i5 10400/AMD R53400G or higher"
14	14	17	6.1.2	Chipset Series: Intel Q Series	Intel B series in lieu of Q series Reason: Since Q series is specific to few oem' s hence allowing B series will ensure equal, fair and maximum participations from all oem	Clause amended as "Latest Compatible Commercial Chipset"
15	15	17	6.1.2	Display: Display Size (INCHES) : 23.8	21.5 INCH in lieu of 23.8 inches Reason: In the given tender 23.8 inches is mentioned as screen size which is too bulky and put strain on eyes hence request you to change the size to 21.5 inches	Clause amended as "21.5 or higher"
16	16	18	6.1.2	Connectivity: Wireless Connectivity: Intel Wi-Fi 6 AX201, 802.11ax, Bluetooth 5.0	WIFI 802.11ac + BT 4.0 in lieu of Intel® Wi-Fi 6 AX201 802.11ax 2x2 with Bluetooth® M.2 Combo Reason: Since all the oem are not having Intel® Wi-Fi 6 AX201 802.11ax 2x2 with Bluetooth® M.2 Combo so please allow WIFI 802.11ac + BT 4.0 for better participation and will ensure fair and equal opportunity for all oem	Clause dropped
17	17	18	6.1.2	Ports: 3 x USB 2.0, 2 x USB 3.2,1 x HDMI-out, 1 x HDMI-in	4 USB 3.1 ; 2 USB 2.0 ; 1 HDMI in lieu of 3 x USB 2.0, 2 x USB 3.2,1 x HDMI-out, 1 x HDMI-in Reason: Since all the oem will not have 3 x USB 2.0, 2 x USB 3.2,1 x HDMI-out, 1 x HDMI-in hence please allow 4 USB 3.1 ; 2 USB 2.0 ; 1 HDMI for maximum participation in the bid	Clause amended as "Minimum 6 USB, VGA/HDMI"

18	18	18	6.1.2	Generic: Stand: Basic Stand with height adjustable stand	Height adjustable to be removed Reason: Since all the OEM'S will not have Basic stand with height please allow normal stand for the maximum participation	Clause dropped
19	19			New Request:	We also request you to incorporate the land Border Clause which is published by ministry of Finance- Department of Expenditure Public Procurement Divison "F.No. 6/18/2019-PPD under Rule 144(xi) of GFR 2017 Which Secures the national security and restrict the purchase to be made from the countries which shares the land border with India, Since the matter is related to National security we request to sincerely look forward to the concern	The request is not relevant as the bid is open to only Indian bidders.
20	20			New Request:	The concessions/benefits/preference to MII (Make in India) will be as per Govt of India order no. P-45021/2/2017- BE-II dated 15.06.2017 issued by Ministry of Commerce and Industry Department of Industrial Policy and Promotion and amendment issued thereof time to time, which ensures to promote the Indian Industry and will help Indian economy towards its further growth.	The request is not applicable to KCCB Ltd. as it is neither GoI nor is it a Government of HP Department.
2.Office Solutions & Supplies						
21	1	6	2.2	The supplied items shall strictly confirm to the specifications, of good quality, and delivered free of any defects during the office hours within 14 weeks of placing supply order.	20 to 22 Weeks Reason: There is shortage of Semiconductor Chip across the globe, so lead time of deliveries is extended	The clause is amended as " The supplied items shall strictly confirm to the specifications, of good quality, and delivered free of any defects during the office hours within 180 days of placing supply order.
22	2	6	2.4	Delivery: The material shall be supplied at various locations of the Bank free of cost including installation and commissioning.	There is no information on Consignee List and Qty at Each Location to be delivered Reason: There is no information on Consignee List and Qty at Each Location to be delivered. Full Details is required regarding this. To evaluate the transportation and execution cost this is required mandatorily and should be part of tender. To provide level playing filed to all the bidders this is very – very important, as any bidder already working with bank may have inside information and will have undue advantage over new prospective bidders. This is very generic and fair demand.	The list of delivery locations stands attached as Annexure.

23	3	6	2.17	The Bank may purchase Computer System with or without Buyback option. The successful bidder shall purchase hardware as is where is basis and produce certificate to the bank that it has been disposed off strictly in accordance with GOI “e-waste (Management) Rules, 2016”.	<p>Full Details of Old Hardware required from the bank in tender itself. To</p> <p>To determine the buy back value of old hardware all these details are mandatory.:-</p> <p>Location, Qty, Configuration & Specifications, Model & Make, Date of Installtion, Current Condition:- Working / Not Working. Current information is not transparent. Any prospective bidder having any kind of current business relationship with bank such as currently going on AMC or service contract or who has supplied the hardware earlier may have the inside information will have advantage over new prospective bidders. Bank is obliged to come up with full information on old hard in tender document itself. New bidders cannot go to each location to find out the details and condition of the hardware. Sot to maintain balance and transparency all the details with qty and location is required as there will be a cost to transport the old hardware.</p>	The information is sufficient and no change is needed.
24	4	6	2.18	The model of desktop computers under Buyback is: HCL Infinity 1230, HCL Infinity 1280, HCL MA- 330, HCL MA-350, HP 3330, Acer Veriton 3220 and Acer Veriton 4130.	Full details with configuration, Date of Installation of existing Hardware along with qty and location is required	The information is sufficient and no change is needed.
25	5	11	4.1.1	The Bidder should be a Registered Company in India.	Permit Proprietors firm / Partnership Firms also. This is the general condition in all the tenders of Government / Semi Government / PSUs etc.Current condition, limits the competition as it allows only one type of bidders who have a specific constitution. Moreover, this type of clause in current form is arbitrary and unfair	The clause is amended as "The bidder should be a legal entity permitted to do business in India".
26	6	11	4.1.3	The Bidder Company should be in existence for minimum five years in India.	<p>So change this as per under:- Bidder (Registered Company / Proprietors firm / Partnership Firm) should be in existence for minimum 5 years</p> <p>Reason: As this is in relation to 4.1.1 so relevant change required accordingly. Current condition, limits the competition as it allows only one type of bidders who have a specific constitution.</p> <p>Moreover, this type of clause in current form is arbitrary and unfair</p>	The clause is amended as "The Bidder should be in existence for minimum five years in India".

27	7	13	5.6.1	50% Payment shall be released after delivery of material at respective locations. All such payment requests shall be accompanied by receipts from the concerned branch managers or other officials of the Bank as the case may be.	Kindly change this to 90% on Proof of Delivery Reason: This is the general condition in all the Government / PSU Tenders. This will be more generic and fair to the bidders and will encourage more bidders to participate	The performance guarantee clause stands dropped and no change in the payment schedule is allowed.
28	8	13	5.6.2 40% Payment will be released on submission of: a) Invoice/Bill duly completed in all respect and accompanied with Installation report duly signed and stamped by the concerned office Incharge of The Kangra Central Co – Operative Bank Ltd. b) Documentary proof from OEM or on OEM website of having 5 years warranty for computer desktops.	Kindly change this to 10% on After Proof of Installation and commissioning. Reason: This is the general condition in all the Government / PSU Tenders. This will be more generic and fair to the bidders and will encourage more bidders to participate.		
29	9	13	5.6.3 Remaining 10% will be released after the warranty period subject to deduction of penalty, if any.	Requested to Delete this clause Reason: When PBG – Performance Guarantee is demanded for 66 Months against warranty period, so there is no need of 10% payment to withheld for 5 years. This condition is totally arbitrary. Also, if the bank withholds any payment for 5 Years , bidder will have to factor in the cost and it will increase buying cost unnecessarily. Moreover both 10% withhold and performance guarantee clause can not go together.		
30	10	14	5.7 Earnest Money @ Rs. 10,00,000/- (Rupees Ten Lakhs Only) should be submitted along with the Tender in the form of Demand Draft payable in favour of the Managing Director, The Kangra Central Cooperative Bank Limited at Dharamshala. Tenders without Earnest Money shall be out rightly rejected.	Kindly allow other forms of EMD such as FDR / Bank Guarantee. Reason: This is the general condition in all the big tenders Government / PSU Tenders. EMD is required for bid security and EMD in other genuine modes also serve the same purpose, so it should be allowed.		

3. Electro Photo Equipments Pvt. Ltd						
31	1	16	6.1.1	Processor: Intel 10th Generation Core i5 10500 Processor with 3.1 GHz base frequency 12 MB cache, 6 cores, 12 threads Should Supports Intel® vPro Technology	Please guide if Vpro technology (out of band management) is essential as Dell offers this feature only in high end systems - Apple to apple comparison is necessary for fair price comparison and for DELL to participate	Clause amended as:"Core i5 10400/AMD R53400G or higher"
32	2	16	6.1.1	Slots : Integrated SD card reader	Please guide if SD card reader is essential as Dell offers this feature only in high end systems - Apple to apple comparison is necessary for fair price comparison and for DELL to participate	Clause Dropped
33	3	16	6.1.1	Bays: 2 Internal, 1 External bay	Please change to Internal or External bays	Clause Dropped
34	4	16	6.1.1	Display: 21.5" with Minimum resolution of 1920X1080, with VGA, HDMI, Display Ports, TCO 8.0 Certified (Same OEM as desktop)	21.5" with Minimum resolution of 1920X1080, with VGA, & HDMI/Display Ports, TCO 8.0 Certified (Same OEM as desktop)	Clause amended as "21.5 or higher"
35	5	17	6.1.2	Processor Generation: 10	12th Gen - Please opt for latest 12 Generation processors to have a significantly improved performance and an apple to apple comparison.	Clause dropped
36	6	17	6.1.2	Number of Cores per Processor: 8	12	Clause amended as:"Core i5 10400/AMD R53400G or higher"
37	7	17	6.1.2	Processor Base Frequency (GHz): 2.9	2.1	Clause amended as:"Core i5 10400/AMD R53400G or higher"
38	8	17	6.1.2	Processor Description : 10th Generation Intel® Core™ i7 2.9GHz to 4.8GHz, 16MB Cache	12 Gen Intel® Core™ i7-12700 (25 MB cache, 12 cores, 20 threads, 2.10 GHz to 4.90 GHz	Clause amended as:"Core i5 10400/AMD R53400G or higher"
39	9	17	6.1.2	Motherboard: Chipset Series : Intel Q Series	Q670	Clause amended as "Latest Compatible Commercial Chipset"
40	10	17	6.1.2	Memory: RAM Speed (MHz): 2933 MHz or higher	Please opt for latest memory speed 3200 MHz	Clause amended as " 8GB RAM expandability upto 64 GB"
41	11	18	6.1.2	Generic: Headphone out : Yes	Please change Yes/ Universal Audio jack	Clause Dropped
42	12	18	6.1.2	Generic: Microphone-in : Yes	Please change Yes/ Universal Audio jack	Clause Dropped
43	13	18	6.1.2	Generic: Stand: Basic Stand with height adjustable stand	yes	Clause Dropped

44	14	18	6.1.2	Power Supply: External/Internal	Please change to internal power supply for the below benefits - a) Physical Security – An internal power supply is more secure as it is integrated in the system. An external supply might make sense for laptop but not necessarily a desktop. b) Aesthetic Purpose - AIO by definition should have minimum external parts c) Better Protection from electrical surges	Clause Dropped
4. Team Computers Pvt Ltd						
45	1	8	3.3.1.ii	The bid security shall be denominated in the INDIAN RUPEES only and shall be in the form of a Demand Draft issued by an Indian Bank not earlier than the date of issue of this Tender, payable to The Managing Director, The Kangra Central Cooperative Bank Limited at Dharamshala, H.P. Any bid not secured in accordance with the above will be rejected as non-responsive.	The bid security shall be denominated in the INDIAN RUPEES only and shall be in the form of a <i>Demand Draft/ Bank Gurantee</i> issued by an Indian Bank not earlier than the date of issue of this Tender, payable to The Managing Director, The Kangra Central Cooperative Bank Limited at Dharamshala, H.P.	The clause stand amended as "Earnest Money @ Rs. 10,00,000/- (Rupees Ten Lakhs Only) should be submitted along with the Tender in the form of Demand Draft payable to /FDR duly pledged in the name of /Bank guaranty in favour of the Managing Director, The Kangra Central Cooperative Bank Limited at Dharamshala. Tenders without Earnest Money shall be out rightly rejected.
46	2	13	5.6	5.6.1 50% Payment shall be released after delivery of material at respective locations. All such payment requests shall be accompanied by receipts from the concerned branch managers or other officials of the Bank as the case may be. 5.6.2 40% Payment will be released on submission of: a) Invoice/Bill duly completed in all respect and accompanied with Installation report duly signed and stamped by the concerned office Incharge of The Kangra Central Co – Operative Bank Ltd. b) Documentary proof from OEM or on OEM website of having 5 years warranty for computer desktops. 5.6.3 Remaining 10% will be released after the warranty period subject to deduction of penalty, if any.	Request to change the Payment Terms 90% Payment shall be released after delivery of material at respective locations. All such payment requests shall be accompanied by receipts from the concerned branch managers or other officials of the Bank as the case may be. Remaining 10% will be released after the warranty period subject to deduction of penalty, if any.	The performance guarantee clause stands dropped and no change in the payment schedule is allowed.

47	3	25	i7	SLA: Computer Systems- (Installed in locations except Lahul & Spiti) Acknowledgment Time: 4 hours, Resolution Time: 2 Days. For non-compliance ₹ 200/- per day will be deducted thereafter. Computer Systems- (Installed in locations Lahul & Spiti) Acknowledgment Time: 4 hours, Resolution Time: 3 Days. For non-compliance ₹ 200/- per day will be deducted thereafter.	We request Bank to give 4 working days to resolve the Complaint.. After logging Complaint for 4 days- No Penalty .After 4 days, Rs. 200 /- per week per items till the defect is rectified Reason: Penalty as per RFP is very high . We request Bank to consider our request for change.	Not acceptable
48	4	6	2.3	The delivered items shall be installed and commissioned by the bidder.	The delivered items shall be installed and commissioned by the bidder within 15 days of Delivery	No Change
49	5	6	2.17	The Bank may purchase Computer System with or without Buyback option. The successful bidder shall purchase hardware as is where is basis and produce certificate to the bank that it has been disposed off strictly in accordance with GOI “e-waste (Management) Rules, 2016”.	We request Bank to share details of Computer Location wise. It will help bidder at the time of submission of final offer.	The information is sufficient and no change is needed.
5. Satluj Document Company						
50	1	13	5.6.3	Remaining 10% will be released after the warranty period subject to deduction of penalty, if any.	Kindly delete clause no. 5.6.3 and retain only performance guarantee clause @03%. Performance guarantee clause is more reasonable, sensible and as per general guidelines of CVC and practice in all government tenders. It provides level playing field to all prospective bidder on the other hand to retain 10% amount of Tender Value against warranty period is arbitrary and partial, where any bidder with surplus funds will have undue advantage. Moreover, it will lead to increase to tender budget also as bidders will be forced to add the cost in bid value. So, please retain performance guarantee clause instead of retaining any amount that too to the extent of 10% to make the tender competitive and fair as per Govt. norms and guidelines.	The performance guarantee clause stands dropped and no change in the payment schedule is allowed.

51	2				Kindly take note and cognizance of GOI Notification No. F. No. 6/18/2019-PPD, Dated:- 23rd July, 2020 and subsequent corrigendum s regarding Restrictions under Rule 144 (xi) of the General Financial Rules (GFR), where bidders and its partners from such countries who shares land border with India are restricted from participating in tenders and bids. A copy of the same is attached here for your reference please.	The request is not relevant as the bid is open to only Indian bidders.
6. Chawla Digital Systems Pvt Ltd						
52	1	16	6.1.1	Chipset: Commercial Class Intel® Q470 Chipset	We request to the Bank to incorporate AMD Chipset-B560 which will ensure fair and equal opportunities to all the Oem's. As Q470 is old generation and Q570 is already launched by intel	Clause amended as "Latest Compatible Commercial Chipset"
53	2	16	6.1.1	Processor: Intel 10th Generation Core i5 10500 Processor with 3.1 GHz base frequency 12 MB cache, 6 cores, 12 threads Should Supports Intel® vPro Technology	We request to the Bank do not procure obsolete 10 th generation technology as Intel is currently operating on 11 th generation and 12 th generation is also ready soon to come in the market. We also request you to allow AMD R5 4600G processor for fair competition.	Clause amended as:"Core i5 10400/AMD R53400G or higher"
54	3	16	6.1.1	Graphics: Intel® UHD Graphics630	We request to the department plz allow compatible graphics instead of UHD Graphics 360 for fair competition.	Clause amended as:"Compatible Graphics Card"
55	4	16	6.1.1	Audio: Integrated audio controller with internal speaker of at least 2W	We request to the Bank to ask speakers should be in monitors for better audio then in the chassis of the desktop.	Clause amended as:"Built-in stereo speakers with high definition audio support. Built-in Microphone"
56	5	16	6.1.1	Networking: Intel® Wi-Fi 6 AX201 802.11ax 2x2 with Bluetooth® M.2 Combo	We request to allow WIFI 802.11ac +BT 4.0 for better participation and will ensure fair and equal opportunity for all OEM	Clause amended as:"WIFI 802.11ac, BT 4.0 or higher, Gigabit 10/100/1000 Ethernet Controller."
57	6	16	6.1.1	Slots: 1 PCI Express v3.0 x1,1 PCI Express v3.0 x16 2 M.2	We request to Bank please allow 2PCIe x 1 ; 1PCIe x 16; 1 M.2 as this will allow equal, fair and maximum participation from OEM's	Clause Dropped
58	7	16	6.1.1	Slots: Integrated SD card reader	Removal of SD card	Clause Dropped
59	8	16	6.1.1	Certifications: Microsoft Windows 10 FCC, CE, RoHS, UL, EPEAT, Energy Star ISO 9001,14001 for OEM	Removal of UL Certification -UL and MET certifications are European standards which are similar in nature hence you are to allow UL/MET which will ensure participation from all OEM's as only UL certification is limited to few OEM's	Clause amended as "BIS, BEE, EPR, RoHS or any other relevant Indian Certificates"
60	9	17	6.1.2	Processor Generation: 10	We request to the Bank do not procure obsolete 10 th generation technology as Intel is currently operating on 11 th generation and 12 th generation is also ready soon to come in the market hence request to amend to the 11 th generation.	Clause Dropped

61	10	17	6.1.2	Processor Base Frequency (GHz) : 2.9	Since 11 th generation processors are latest in Intel and starts with 2.5 ghz hence please allow 2.5 ghz as this will ensure equal, fair and maximum participation for all the OEM's	Clause Dropped
62	11	17	6.1.2	Processor Description: 10th Generation Intel® Core™ i7 2.9GHz to 4.8GHz, 16MB Cache	We request to amend to 11 th generation that is 11700 with 2.5 ghz to ensure equal, fair and maximum participation for all the OEM's	Clause amended as:"Core i5 10400/AMD R53400G or higher"
63	12	17	6.1.2	Chipset Series: Intel Q Series	As Q series is specific to few OEM's hence we request to allow B series for maximum participation.	Latest compatible commercial
64	13	17	6.1.2	Display: Display Size (INCHES) : 23.8	We request to change the size to 21.5 inches instead of 23.8 as it seems bulky.	Clause amended as "21.5 or higher"
65	14	18	6.1.2	Connectivity: Wireless Connectivity: Intel Wi-Fi 6 AX201, 802.11ax, Bluetooth 5.0	We request to allow WIFI 802.11ac +BT 4.0 for better participation and will ensure fair and equal opportunity for all OEM	Clause Dropped
66	15	18	6.1.2	Ports: 3 x USB 2.0, 2 x USB 3.2, 1 x HDMI-out, 1 x HDMI-in	Since all the oem will not have 3 x USB 2.0, 2 x USB 3.2, 1 x HDMI-out, 1 x HDMI-in hence please allow 4 USB 3.1 ; 2 USB 2.0 ; 1 HDMI for maximum participation in the bid	Clause amended as "Minimum 6 USB, VGA/HDMI"
67	16	18	6.1.2	Generic: Stand: Basic Stand with height adjustable stand	We request to the Bank to remove Height adjustable since all the OEM's will not have basic stand with height please allow normal stand for the maximum participation.	Clause Dropped
68	17			New Request:	We also request to incorporate the Land Border Clause which is published by ministry of Finance and the concessions/benefits/preference to MII(Make in India) will be as per GOVT OF INDIA order no- P-45021/2/2017- BE-II dated 15.06.2017 issued by Ministry of Commerce and Industry	The request is not relevant as the bid is open to only Indian bidders.

7. AMD India Pvt Ltd.						
69	1	16	6.1.1	Chipset: Commercial Class Intel® Q470 Chipset	Commercial Class Intel® Q470 / AMD® PRO 565 Chipset Reason: Requesting the dept. to include both AMD & Intel based specification to enable open & fair competition.	Clause amended as "Latest Compatible Commercial Chipset"
70	2	16	6.1.1	Processor: Intel 10th Generation Core i5 10500 Processor with 3.1 GHz base frequency 12 MB cache, 6 cores, 12 threads Should Supports Intel® vPro Technology	Intel 10th Generation Core i5 10500 Processor with 3.1 GHz base frequency 12 MB cache, 6 cores, 12 threads. Or AMD® Ryzen™ 5 4600GG with 3.70 GHz Base Frequency, 11MB Cache, 6-Cores, 12-Threads. Reason: As per the Pre-Bid discussions, it seems, the vPro is not required, So, requesting the dept. to include both AMD & Intel based specification to enable open & fair competition.	Clause amended as:"Core i5 10400/AMD R53400G or higher"
71	3	16	6.1.1	Graphics: Intel® UHD Graphics630	Intel® UHD Graphics630 / AMD Radeon™ Graphics Reason: Requesting the dept. to include both AMD & Intel based specification to enable open & fair competition.	Clause amended as:"Compatible Graphics Card"
